CALIFORNIA LEGISLATURE—2013–14 REGULAR SESSION

ASSEMBLY BILL

No. 2022

Introduced by Assembly Member Medina

February 20, 2014

An act to amend Sections 4532 and 4534 of, and to repeal Section 4534.1 of, the Government Code, relating to public contracts.

LEGISLATIVE COUNSEL'S DIGEST

AB 2022, as amended, Medina. Public contracts: Target Area Contract Preference Act.

The Target Area Contract Preference Act establishes a preference for contracts for goods or services that are in excess of \$100,000 for contractors that certify that a specified percentage of the hours worked on a contract will be performed on a worksite in a distressed area, as defined.

This bill would redefine a distressed area to be a census tract that is determined by the Department of Finance under a specified statute to be in the top quartile of census tracts for highest unemployment and poverty.

Existing law establishes a preference for contractors who certify that they will use a specified amount of persons with a high risk of unemployment, as defined, on a contract.

This bill would redefine persons with a high risk of unemployment to include, but not be limited to, a person that has been unemployed for a specified period of time, a veteran who served in active duty since

September 11, 2001, a person who has been ~~incarcerated~~, *convicted of a felony*, or a person who receives benefits of the Supplemental Nutrition Assistance Program.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.
